*Congressional Letter of Commendation*  
*Presented to*  
**The Tots' Landing Learning Centers**

August 19, 2013

It is with great pride that I congratulate the Tots' Landing Learning Centers on their 20<sup>th</sup> Anniversary.

The Tots' Landing Learning Centers first opened its doors on August 23, 1993 and has since provided a valuable education to thousands of young children. Tots' Landing's has continuously displayed its dedication to providing children with a quality educational opportunity, which has been reflected in the numerous awards and commendations they have received throughout their two decades of service.

Tots' Landing Learning Centers has been named "Best Child Care" by Murfreesboro Magazine, "Best of Parenting" by Rutherford Parent Magazine and a "Top Growing Business" by the Nashville Business Journal. Furthermore, they have received the "Best Child Care Center" Ruthies Award from the Daily News Journal and the "Besties Award" from the Murfreesboro Post.

This success is one easily attributed to the hard work and dedication of its directors and staff members, who understand that early childhood programs are the foundation upon which our children's entire future is built.

Therefore, I join many others in our community in congratulating the Tots' Landing Learning Centers on twenty years of exemplary service and I wish them the best of luck in the years to come.

Sincerely,

Scott DesJarlais, M.D.  
Member of Congress
