

# Tots' Landing Celebrates 20 Years!

---

by Kiera Ashford (<http://www.nashvilleparent.com/author/freckledmomma/>) | August 27th, 2013

---

***After its inception in 1993, Tots' Landing has grown to five locations and celebrates 20 years of bringing the community early education programs.***

Tots' Landing recently celebrated its 20th anniversary. After years of bringing the community early education programs, Tots' Landing has grown from its first location (517 River Rock Blvd., Murfreesboro) in 1993 to now five locations spanning Murfreesboro, Smyrna, Hendersonville and La Vergne. "The longevity of our business speaks to the quality of education we've been able to provide children in Middle Tennessee," says Guen Campbell, one of the founders and owners of Tots' Landing. The two Murfreesboro centers and its Smyrna location also recently received accreditation from the National Early Childhood Program (NECPA), the only independent early education accrediting organization.

In celebration of its 20th year, Tots' Landing has established a \$1,000 academic college scholarship, which will be awarded annually to two of its preschool alumni. The scholarship award is based on academic achievement, participation in the community and citizenship — the first scholarship awarded will be presented this fall.
